To the extent applicable, the Company will notify the Client separately of whether the Client will be treated as **an Eligible Counterparty, a Per se Professional Client** or an **Elective Professional Client**, each term as defined under Directive 2014/65/EU of 15 May 2014 on markets in financial instruments, as amended and all rules and regulations made thereunder, including any Cyprus implementing legislation (“MIFID II”), for the purposes of the services provided by the Company under these Terms. Eligible Counterparties and Per se Professional Clients are presumed to have knowledge and experience to take their investment decisions and assess any risks with respect to entering into transactions with finance instruments. Elective Professional Clients are subject to Appropriateness Test to verify their level of knowledge & experience.

2.2. Before we provide any Services to you, you will have to provide us with the “*MiFID Consent and Contact Details Form*” that is attached as Annex I to the Client Agreement or provided as a separate document, stating your consent to your categorization. You are entitled to request a different Client classification to that allocated by the Company, if the relevant legal requirements are satisfied. The change of Client’s classification, however, is subject to the sole discretion of the Company. The Client acknowledges that a request to be classified as an Eligible Counterparty (rather than a Professional Client) or a Professional Client (rather than a retail Client) will result in a lesser degree of protection.

2.3. Where you have been categorized as, or have requested to be treated as, a Professional Client (*per se* professional or *elective* professional), you will lose certain investor protections and you will not be entitled to the compensation under the Investors Compensation Fund provided to Retail Clients. Please refer to the *MiFID Consent and Contact Details Form* and *Elective Professional Consent Letter* (if applicable) for details. When you are categorized as an Elective Professional Client, your categorization will only cover the range of financial instruments as described in *Elective Professional Consent Letter*,

depending on the results of your Appropriateness Test. Please note that you can only establish business relations with us if you are classified as a Professional Client (*per se* professional or *elective* professional) or an Eligible Counterparty.

Where you have been categorized as, or have requested to be treated as, an Eligible Counterparty, you will not normally benefit from the protection reserved for Retail Clients or Professional Clients and you will not be entitled to the compensation under the Investors Compensation Fund.

Under MiFID, you have the right to request your re-categorization as a Professional Client generally or in respect of a specific Service or Financial Instrument, provided that you will provide to us a written request stating your intention to change categorization. 2.6. The Company deals only with Clients who fall under the MiFID categories of Professionals and Eligible Counterparties, and, as a normal practice, who are trading in principal. Unless the Client notifies us that he is acting on behalf of other Clients, we will assume that the Client is the end Client.

In cases where the Client notifies the Company that he is not the end Client and there is a distribution intermediation chain, the person with the direct Client relationship has the ultimate responsibility to meet the product governance obligations.

In the above case, the Company's obligation will be limited, as follows:

- 2.6.1. ensure that relevant product information is passed from the product's/instrument's manufacturer to the final distributor in the chain;

3.1. *Appropriateness.* As a result of Client's qualification as a Per se Professional Client or an Eligible Counterparty, we will assume that the Client has the knowledge and experience to understand each transaction in financial instruments and services provided under these Terms. It is the sole responsibility of the above mentioned Clients to ensure that any and all transactions with or through the Company are in accordance with the Client's investment and business objectives and in compliance with all applicable legal or regulatory restrictions upon the Client entering into such transactions. Elective Professional Clients are assessed under the Appropriateness Test to establish the level of their knowledge and experience to understand each transaction in financial instruments and services provided. Elective

Professional Clients will not have access to the financial instruments, unless they demonstrate that they possess the relevant level of knowledge and experience.

3.2. The Company shall not be liable to assess the appropriateness for the Client, classified as a Per se Professional Client or an Eligible Counterparty, of any transaction in financial instruments and services provided under these Terms. The Company accepts no liability on the basis that Per se Professional Clients or Eligible Counterparties claim that they did not have the knowledge and experience to understand any financial instruments and services provided under these Terms.

3.3. Where the Company considers that an investment service or product is not appropriate for the Client, it notifies the Client that this service or product is not appropriate for him and the Company is not obliged to carry on with the execution of the Instruction. In this context, the Client agrees not to hold the Company liable for any prejudice suffered by the Client due to non-execution of its Instruction. The Company may not be held liable for a possible delay in the execution of Instructions due to the Company's legal obligations inter alia in relation to the assessment of the appropriateness of an investment service or product for the Client. This paragraph is applicable to Elective Professional Clients only.

3.4. In cases where the Client elects not to provide the information required for the assessment of the appropriateness, or where it provides insufficient information regarding its knowledge and experience, the Company hereby expressly warns the Client that such a decision will not allow the Company to determine whether the service or product envisaged is appropriate for it. As a result, when the Client is not able to demonstrate the relevant level of knowledge and experience, he will not have access to such financial instruments. This paragraph is applicable to Elective Professional Clients only.

3.5. The Client shall inform the Company of any change in its financial situation and/or its investment knowledge and experience and, in particular of changes which impact or are likely to impact the appropriateness of a service provided to the Client by us. In case the Client does not inform us of such changes, we will bear no responsibility for any damage resulting therefrom.

3.6. The Company furthermore specifically warns the Client that with regard to services that only consist of execution and/or the reception and transmission of Instructions carried out at the initiative of the Client and relating to non-complex financial instruments, such as, e.g., shares admitted to trading on a regulated market, bonds or UCITS the Company is not required to assess whether the service or instrument provided or offered is appropriate for the Client and that the Client does therefore not benefit from the corresponding protection of the relevant conduct of business rules.

3.7. *Suitability.* The Company does not establish business relations with the non-professional Clients. The Company does not offer investment advice or portfolio management and therefore the Company is not obliged to set out an investment profile of the Client, which is based on the Client's: (i) knowledge and experience in the relevant financial instruments; (ii) financial situation and risk tolerance; and (iii) investment horizon and objectives.

4. Risk warning

4.1. The Client acknowledges and agrees that placing an Instruction in respect of a financial instrument or entering into any transaction related to a financial instrument carries various risks and the Client confirms that it has evaluated these risks before making a decision to enter into such transaction.

4.2. Without prejudice to the MIFID II obligation of the Company to assess whether a transaction is “appropriate” for the Client, the Client shall, prior to entering into any transaction or placing an Instruction with respect to any financial instrument, make its own independent evaluation of the financial, market, legal, regulatory, credit, tax and accounting risks and consequences resulted from being involved in each financial instrument and its appropriateness for its own purposes.

6. Basis of Dealings, Applicable Regulations and Rules

6.1. The Services and any Transactions with or for you are subject to the Applicable Regulations and Rules. Nothing in these Terms or in the Client Agreement shall prevent us from taking all such actions as may be required by law or statute or to comply with the Applicable Regulations and the Rules and/or our obligations to any Competent Authority or any relevant professional or regulatory body or governmental agency or authority or otherwise.

6.2. In accordance with our obligations under the Applicable Regulations and the terms of any Schedule (if applicable), we will endeavor to provide you with prompt, fair and expeditious execution of Orders you place with us, relative to other Orders from our Brokers' other Clients or our Brokers or our own proprietary trading interests. In doing so, we will:

- 6.2.1. accurately record and allocate Orders we execute for you; and
- 6.2.2. carry out comparable Orders sequentially and promptly unless the characteristics of the Order or prevailing market conditions make this impracticable, or your interests, as our Client, requires otherwise.

6.3. GPBFS may refuse to enter into, execute, transmit, deal in or otherwise arrange any Transaction where you have not provided such information (and waived or procured the waiver of any confidentiality or data protection/privacy obligations in respect of such information) as we may reasonably require:

- 6.3.1. in order for us to comply with any transaction reporting requirements or market transparency requirements in respect of such transaction; or
- 6.3.2. where our non-receipt of such information (including, without limitation, an applicable legal entity identifier code) would mean that we are prohibited by the Applicable Regulation and/or the Rules to enter into, execute, transmit, deal in or otherwise arrange (as the case may be) such transaction.

6.4. We may further refuse to enter into, execute, transmit, deal in or otherwise arrange any Transaction or perform any obligation pursuant to these Terms where such action or performance:

- 6.4.1. would cause us to breach any prohibition or restriction imposed or specified by any Competent Authority; and/or
- 6.4.2. would be prohibited, or made impracticable to effect on reasonable commercial terms, by any suspension or removal from trading of a financial instrument imposed by a Competent Authority pursuant to the Rules.

6.5. We will make all reasonable efforts to notify you promptly of such action or inaction, if and to the extent permitted by the Applicable Regulations and Rules, but shall not be responsible for any losses, costs, damages or expenses incurred by you as a result.

6.6. If you have been categorized as a **Per se Professional Client and/or as Eligible Counterparty**:

6.6.1. GPBFS will assume that you have the requisite knowledge and experience to engage in the Transactions which you instruct us on, taking into account the particular financial instrument(s) and market(s) concerned, on the basis that you are a Professional Client or Eligible Counterparty. On this basis GPBFS will assume that you are aware of the risks associated with a particular Transaction you instruct us on. This presumption of risk awareness will extend to instructions relating to Orders which we pass to any of our brokers, in accordance with the law, circulars and directives issued by CySEC from time to time and which are in force;

6.6.2. It is your responsibility to ensure that all Transactions performed with or through GPBFS are appropriate for you and comply in all respects with any applicable legal or regulatory restrictions upon you entering into such Transactions. GPBFS will assume, since you are a Professional Client or Eligible Counterparty, that you possess the relevant knowledge and experience to assess such investments. For analysis of risks embedded in each financial instrument we offer to you, you may wish to refer to the financial instruments description and associated risks document (the “**Risk Warnings and Disclosures**”) that is available on the GPBFS website on designated page MiFID <https://www.gpbfs.com.cy/mifid/> and **which is also incorporated by reference herein**. We note that our Risk Warnings and Disclosures policy is intended as a general description of the risks associated with specific products or services. There may be other risks that it does not identify. You should therefore not rely on the Risk Warnings and Disclosures as covering all possible risks and should always satisfy yourself that the Services or Transactions are suitable for you in light of your specific circumstances;

6.6.3. Unless you notify us otherwise in writing we will assume that there is no restriction on the type of Financial Instruments you wish to deal in, the nature of the Transactions you may instruct us on, or the market in which we may execute your Orders;

6.6.4. Your Orders will be executed in accordance with our Order Execution and Handling Policy (as amended from time to time), which however, applies only to Professional Clients (and not Eligible Counterparties) which is available on our website on designated page MiFID <https://www.gpbfs.com.cy/mifid/> and **is also incorporated by reference herein**.

8. Client Order Handling and Execution, Aggregation of Orders

8.1. According to the Applicable Regulations, GPBFS is required to take all sufficient steps to provide the best possible result taking into account price, costs, speed, likelihood of execution and settlement, size, nature or any other consideration relevant to an Order, when receiving, transmitting and executing Orders. GPBFS owes a duty to act honestly, fairly and professionally in the best interests of the Clients when receiving and transmitting Orders to other entities for execution. It is noted that the duty of the Company when executing the Orders received by its Clients, is to apply best execution. This obligation does not apply where you have been categorized as an Eligible Counterparty or where you have given us a specific Instruction in relation to your entire Order, or any particular aspect of your Order, in which case our obligation to provide best execution will be considered to be discharged by virtue of the fact we are following your Instruction.

8.2. We will closely work with the relevant Brokers to ensure that they provide best execution in a manner that is compliant with the Applicable Regulations, in fulfilling an Order or executing Transactions for you.

8.3. In connection with the above, GPBFS has established an Order Handling and Execution Policy which is available on our website on designated page MiFID <https://www.gpbfs.com.cy/mifid/> and also is incorporated by reference herein. The Order Handling and Execution Policy describes the factors and processes that GPBFS will adopt to meet the above obligations, and in particular how it will identify and utilise execution factors and criteria considering their relative importance when carrying out the above activities in relation to each class of Financial Instrument within the scope of MiFID II. This policy is not intended to cover all eventualities and all circumstances that may be relevant to a particular Order placed with GPBFS. It is designed to serve as appropriate disclosure of the principles underpinning the Order execution and transmission process that GPBFS will follow for Orders when a Client instructs it to execute or to pass to other entities for execution.

8.4. Where you provide us with specific Instructions, either relating to an Order or a particular aspect of an Order, we will execute the Order in accordance with those Instructions. **You should be aware that providing specific Instructions to us in relation to the execution of a particular Order may prevent us from following procedures under our Order Handling and Execution Policy to achieve best execution.**

8.5. On an annual basis, we will publish on our website by trading volume the top five execution venues / brokers used in the preceding year for each Client category and asset class. In addition, a summary of execution quality obtained will be drawn and published on our website on designated page MiFID <https://www.gpbfs.com.cy/mifid/>.

Regulated Markets and MTFs shall be prioritised according to the GPBFS's Best Execution Policy to ensure execution as soon as market conditions allow.

8.8. Neither we nor any of our Brokers will be responsible for any delays or inaccuracies in the transmission of Orders or the execution thereof in either case due to any cause whatsoever beyond the reasonable control of such party.

- 8.10.2. It is disclosed to each Client whose Order is to be aggregated that the effect of aggregation may work to its disadvantage in relation to a particular Order;
- 8.10.3. Our allocation policy provides for the fair allocation of aggregated Orders and Transactions, including how the volume and price of Orders determines allocations and the treatment of partial executions

8.11. Where we aggregate your Order with one or more other Client Orders and the aggregated Order is partially executed, we shall allocate the trades in accordance with our Order allocation policy.

8.12. Where we aggregate Transactions for own account with one or more Client Orders, we shall not allocate the related trades in a way that is detrimental to you or any other Client.

8.13. In addition, where the aggregated Order is partially executed, we shall allocate the related trades to you in priority to GPBFS. However, where GPBFS is able to demonstrate on reasonable grounds that without the combination it would not have been able to carry out the Order on such advantageous terms, or at all, it may allocate the Transaction for own account proportionally, in accordance with its Order allocation policy

10.9. Confirmations will be distributed by electronic mail to the email address on record for you. 11.2. Clients' funds will be deposited in reputable authorised banks both in the EU and third countries.

However, in some jurisdictions it may not be possible to identify separately the securities which a third party holds for Clients from those which it holds for itself and for GPBFS, and there is a risk that the Client Securities could be withdrawn or used to meet obligations of the third party, or lost altogether if the third party becomes insolvent;

12. Disclosure of the Nominee Holder of Financial Instruments

12.1. Disclosure of ultimate beneficiary of income by GPBFS as foreign nominee holder: Recent legislative amendments to the Russian tax legislation (the "Amendments") have imposed obligations on all foreign companies holding Russian securities to disclose to Russian authorities beneficial owners of the securities that are actual recipients of any revenues generated by such security, e.g. dividends. As a result of the Amendments GPBFS is required to provide information with respect to its Clients, on whose behalf GPB FS holds such securities, disclosing the country of tax residency and other information that is sufficient to elect applicable tax treatment of such distributions. The Amendments are designed to prevent non-Cypriot recipients of the income from benefiting from favorable taxation regime granted by the Double Taxation Treaty signed between Russia and Cyprus ("DTT").

12.2. The information we are required to disclose consist but is not limited to the following:

12.2.1. Details of the beneficial owner (i.e. Full name, ID number, address, telephone number)

12.2.2. For legal entities, the registration number and date of registration, registered address etc.

12.2.3. The type and number of securities held as well as other information relating to these securities (i.e. series, date and place of issue)

12.4. Disclosure of nominee holders of financial instruments to depositaries/sub-custodians (i.e. Clearstream etc.): Following various legislative developments in the European Union relating to regulatory compliance, transparency and terrorism financing we are now obliged very often to disclose

There are currently 57 signatories to the CRS Multilateral Competent Authority Agreement ("CRS MCAA"), key international framework agreement for putting in place the automatic exchange on offshore financial accounts. As at the 27/01/2017 Cyprus, Russian Federation, China, Luxembourg and Malta are among the signatories of the CRS MCAA.

12.7. Under the CRS, we are required to determine where you are 'tax resident' (this will usually be where you are liable to pay income taxes). If you are tax resident outside the country where your account is held (accounts with GPBFS are considered to be held in Cyprus), we may need to give the national tax authority this information, along with information relating to your accounts. That may then be shared between different countries' tax authorities. We will define your tax residency status based on the information we already have about you or we may ask you to provide. In cases of Clients which are legal entities, we will have to disclose information about the legal entity itself but also about the UBO or Controlling Person/s of the legal entity. In case you are an individual Client we will be disclosing information as usual.

13.3. GPBFS will not enter into arrangements for Securities Financing Transactions in respect of Financial instruments which are held on behalf of a Client in an omnibus account maintained by a third party, or otherwise use financial instruments held in such an account for its own account or for the account of another Client unless at least one of the following conditions is met:

GPBFS may undertake such lending with or without taking Collateral and if GPBFS does take Collateral, such Collateral may be in cash, investments of any type or physical commodities or any instrument representing any of the same as GPBFS may think fit and shall be of a value as determined by GPBFS in its absolute discretion at least equal to the value (as so determined) of the assets loaned.

This means in summary that we are not permitted to accept or retain any fees, commissions, monetary or non-monetary benefits (each an inducement) paid or provided by a third party in relation to our service to you. We are similarly not allowed to pay or provide any inducement to any third party in relation to the provision of services to you. If GPBFS elects to close-out any open contract pursuant to this clause, then without prejudice to amounts which have become due and payable there under, all other open obligations shall be accelerated and immediately due and payable, and each such contract shall be discharged by the calculation of the market value of such contract as estimated or determined by us in good faith.

17.6. The market values for all accelerated contracts and any amounts due and payable but unpaid in respect of such contract shall be aggregated and netted against each other, so that a single liquidated amount is immediately due and payable by one party to the other, subject to our rights to apply any cash margin or other Collateral (including the liquidated value of non-cash Collateral) held by us by way of set-off. Interest will be payable on all outstanding sums due to GPBFS.

17.7. You authorize GPBFS to take any or all of the steps described in this clause without notice to you and acknowledge that GPBFS shall not be responsible for any consequences of it taking any such steps. The rights described in this clause are in addition to any other rights which GPBFS may have against you. You shall execute such documents and take such other action as GPBFS may request in order to protect the rights of GPBFS under these Terms of Business or under any agreement you may have with any of them.

17.8. If GPBFS exercises its rights to sell any of your assets under this clause, it will affect such sale, without notice or liability to you, on your behalf and apply the proceeds of sale in or towards discharge of any or all of your obligations to GPBFS.

17.9. Without prejudice to GPBFS's other rights, GPBFS may, at any time and without notice, combine or consolidate all or any of your accounts with GPBFS and off-set any and all amounts owed to, or by GPBFS, in such manner as GPBFS may determine.

18. Indemnity

18.1. You agree with us (on trust and as agent for our Brokers) that:

18.1.1. you will on demand indemnify us and each of our Brokers (each, an "**Indemnified Person**") against any and all actions, claims, losses, liabilities (whether joint or several), damages, costs, Charges and expenses which we or the Brokers may suffer or incur or which may be made or taken against us or them arising under, out of or in connection with the Services or the Transaction to which the Services relate including any costs, Charges and expenses (including legal fees and time costs of our relevant personnel, which shall be calculated on the basis of our standard time cost rates) involved in investigating, preparing for or defending the relevant claim and/or in establishing its right to be indemnified pursuant to this Term whether or not in connection with pending or threatened litigation in which we or any other Indemnified Person is a party provided that the same shall not have arisen from our or their negligence or willful default or the breach by us of our duties under the Applicable Regulations and Rules which are in force for the time being in each case as finally determined by a court or other tribunal of competent jurisdiction from which there is no further appeal;

18.1.2. if the Cyprus Inland Revenue or any other taxing authority in any jurisdiction brings into charge to taxation any sum payable under the indemnity contained in this Term then (to the extent that the claim, loss, damage, cost, liability, Charge or expense in respect of which the sum is payable is not allowable as a deduction for tax purposes against the sum so payable and in the same accounting period as that in which such sum is brought into charge to taxation) the sum so payable shall be grossed up by such amount as will ensure that after deduction of the taxation so chargeable there shall remain a sum equal to the amount that would otherwise be payable under such indemnity;

18.1.3. if any sum payable by you under the indemnity contained in this Term is required by law to be paid under any deduction or withholding for or on account of tax, you will, except to the extent that the deduction or withholding gives rise to credit, benefit or saving for the relevant Indemnified Person, pay such additional amount as shall be required to ensure that the net amount received by such Indemnified Person will equal the full amount which would have been received by it had no deduction or withholding for or on account of tax been made;

18.1.4. we shall have regard to (but not be bound to comply with) any reasonable request which you may make in relation to any relevant action or claim brought or made against us, subject to your indemnifying and securing us against any and all costs, Charges and expenses incurred by it in complying with any such request; and

18.2. You expressly recognize and acknowledge that the indemnity included in this Term 18 Indemnity shall be in addition to any rights that we or any Indemnified Person may have at common law or otherwise including, but not limited to, any right of contribution.

Where specific conflicts of interests cannot be avoided or managed, full disclosure to the relevant parties will be made to facilitate a fully informed decision.

19.4. The management of business conflict situations is largely achieved through the charging structure, independent of the business lines, the existence of information barriers between entities, and where necessary within business divisions, procedures within each business division, training and awareness.

19.5. GPBFS operates internal arrangements restricting the movement of information (i.e. Chinese walls) between departments such as brokerage, Own account, Underwriting etc. and in addition the GPBFS's Conflicts of Interest Policy and Procedures is subject to periodic internal review with a view to ensuring fair treatments of Clients.

19.6. As a result of our business relationships, we may be offered non-monetary inducements from 3rd parties e.g. marketing and information materials, invitation to events, networking opportunities, etc. Accepting such inducements is not immediately connected to the services provided to you and we accept same where these can be used to improve the services we provide or are deemed to be minor, would not be detrimental to the interest of our Clients, they are reasonable, proportionate and not excessive in value and could not be judged to influence behaviour.

Accordingly, each party confirms that it accepts the risks of electronic communication and will be responsible for protecting its own interests in relation to electronic communications. Subject to the foregoing, no party shall have any liability to any other party on any basis, whether in contract, tort (including negligence), or otherwise, in respect of any error, damage, loss or omission arising from or in connection with the electronic communication of information between the parties or any third party on the other party's behalf. 29.1. If any provision of these Terms is held to be invalid, in whole or in part, such provision shall be deemed not to form part of these Terms. In any event, the enforceability of the remainder of these Terms will not be affected, provided always that if any such deletion substantially affects or alters the commercial basis of these Terms, the parties shall negotiate in good faith to amend and modify them as may be necessary or desirable in the circumstances.

30. Force Majeure

30.1. Neither GPBFS nor you shall be liable for any failure or delay in performing any of its obligations under or pursuant to these Terms, and any such failure or delay in performing its obligations will not constitute a breach of these Terms, if such failure or delay is due to any cause whatsoever outside its reasonable control and it shall be entitled to a reasonable extension of the time for performing such obligations as a result of such cause. Events outside a party's reasonable control shall include without limitation: acts of God; any change to the law, Order or regulation of a governmental, supranational or regulatory body; currency restrictions, devaluations and fluctuations; any act of terrorism; market conditions affecting the execution or settlement of transactions or the value of assets; failure or breakdown in communications not reasonably within the party's control; and the failure of any relevant stock exchange, securities trading facility or clearing house and shall include any event or circumstance that the party is unable, using reasonable skill and care, to avoid. 31.3. Subject and further to the above, it is noted that your right of withdrawal from any agreement you have entered into with us, can not be applied since the price of the Services provided by us is subject to fluctuations emanating from the financial markets, which the Company cannot foresee, and which may occur during your withdrawal request

32. Law and Jurisdiction

32.1. These Terms shall be governed by and construed in accordance with the laws of the Republic of Cyprus

32.2. We and you irrevocably agree for our mutual benefit that the courts of the Republic of Cyprus shall have exclusive jurisdiction to hear and adjudicate any suit, action or proceeding which may arise out of or in connection with these Terms.

ANNEX A - CLIENT CATEGORIZATION POLICY

According to the Cyprus Investment Services Law and the relevant Rules issued by CySEC, GPBFS is required to categorize its Clients as:

- Retail Client
- Professional Client (*per se* professional or *elective* professional) or
- Eligible Counterparty

according to their knowledge, experience and financial profile.

Retail Clients

GPBFS do not offer services or carry out any business with Retail Clients.

Professional Clients

Professional Client (*per se* professional or *elective* professional) is a Client who possesses the experience, knowledge and expertise to make its own investment decisions and properly assess the risks that it incurs. In order to be considered a Professional Client, the Client must comply with the following criteria:

A. Categories of Client who are considered to be Per se Professionals:

For the purposes of the Cyprus Investment Services Law, the following shall be regarded as Per se Professionals in relation to all investment services and activities and financial instruments:

1. Entities which are required to be authorized or regulated to operate in the financial markets. The list below should be understood as including all authorized entities carrying out the characteristic activities of the entities mentioned: entities authorized by a member state under a European Union Directive, entities authorized or regulated by a member state without reference to such Directive, and entities authorized or regulated by a third country:

- (a) Credit institutions;
- (b) Investment firms;
- (c) Other authorized or regulated financial institutions;
- (d) Insurance undertakings;
- (e) Collective investment schemes and management companies of such schemes;
- (f) Pension funds and management companies of such funds;
- (g) Commodity and commodity derivatives dealers;
- (h) Locals;
- (i) Other institutional investors

2. Large undertakings meeting two of the following size requirements, on a proportional basis:

- balance sheet total at least: 20 000 000 euro
- net turnover at least: 40 000 000 euro
- own funds at least: 2 000 000 euro

3. National and regional governments, public bodies that manage public debt, central banks, international and supranational institutions such as the World Bank, the International Monetary Fund, the European Central Bank, the European Investment Bank and other similar international organizations.

4. Other institutional investors whose main activity is to invest in financial instruments, including entities dedicated to the securitization of assets or other financing transactions.

B. Clients who may be treated as Elective Professionals on request:

1. Identification criteria

Clients other than those mentioned in Part A above, including public sector bodies and private individual investors, may also be allowed to waive some of the protections afforded by the conduct of business rules of IFs. IFs should therefore be allowed to treat any of the above Clients as Elective Professionals provided the relevant criteria and procedures mentioned below are fulfilled. These Clients should not, however, be presumed to possess market knowledge and experience comparable to that of the categories listed in Part A above.

Any such waiver of the protection afforded by the standard conduct of business regime shall be considered valid only if an adequate assessment of the expertise, experience and knowledge of the Client, undertaken by the IF, gives reasonable assurance, in light of the nature of the transactions or services envisaged, that the Client is capable of making his own investment decisions and understanding the risks involved.

The fitness test applied to managers and directors of entities licensed under European Directives in the financial field could be regarded as an example of the assessment of expertise and knowledge. In the case of small entities, the person subject to the above assessment should be the person authorized to carry out transactions on behalf of the entity.

In the course of the above assessment, as a minimum, two of the following criteria should be satisfied:

- the Client has carried out transactions, in significant size, on the relevant market at an average frequency of 10 per quarter over the previous four quarters,
- the size of the Client's financial instrument portfolio, defined as including cash deposits and financial instruments exceeds 500 000 euro,
- the Client works or has worked in the financial sector for at least one year in a professional position, which requires knowledge of the transactions or services envisaged.

2. Procedure:

The Clients defined above may waive the benefit of the detailed rules of conduct only where the following procedure is followed:

- they must state in writing to the Company that they wish to be treated as Professional Clients, either generally or in respect of a particular investment service or transaction, or type of transaction or product,
- the Company must give them a clear written warning of the protections and investor compensation rights they may lose,
- they must state in writing, in a separate document from the contract, that they are aware of the consequences of losing such protections.

Before deciding to accept any request for waiver, IFs must take all reasonable steps to ensure that the Client requesting to be treated as a Professional Client meets the relevant requirements stated in paragraph (1) of Part B above.

However, if Clients have already been categorized as professionals under parameters and procedures similar to those above, it is not intended that their relationships with the Company should be affected by any new rules adopted pursuant to this policy.

Eligible Counterparties:

The Law recognizes as eligible counterparties the following:

- (a) Investment Firms;
- (b) Credit Institutions;
- (c) Insurance Companies;
- (d) UCITS and their management companies;
- (e) Pension funds and their management companies;
- (f) Other financial institutions authorized or regulated under the European Union legislation or national law of a Member State;
- (g) Undertakings whose main business consists of dealing for own account in commodities and or Commodity Derivatives or undertakings which provide investment services and or perform activities consisting exclusively in dealing on own account on markets in financial futures or options or other derivatives markets or which deal for the accounts of other member of those markets;

- when providing best execution, we are not required to prioritize the overall cost of the transaction as being the most important factor in achieving best execution for you
- we do not need to inform you of material difficulties relevant to the proper carrying out of your Order/s promptly
- should we provide you with periodic statements we are not required to provide them as frequently as for non-professional Clients.
